

When we look at Jesus

[from Colossians 1:15-20]

1. When we look at Jesus the Son of God
See the glory of his face
All creation finds its focus
All our worship finds its place

2. He's the one who reigns in authority
And sustains the universe
Yet he came to earth in humility
Gave his life to rescue us

Chorus 1:

*Eternity, humanity
Are held complete in the one true God*

3. Now we stand redeemed by the Son of God
We're restored and reconciled
And the Father looks on each one of us
As a precious, blameless child

Chorus 1:

*Eternity, humanity
Are held complete in the one true God*

4. All of God is found in Jesus
All his power, all his grace
When we see him, we see the Father
And our hearts rise up in praise

Chorus 2:

*Hallelujah! Hallelujah!
Hallelujah! To the one true God
The sound of praise will never fade
From age to age
You're the one true God*
